

CommunicatingSocket  
::connect

```
graph LR; A[CommunicatingSocket::connect] --> B[fillAddr]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'CommunicatingSocket' on the top line and '::connect' on the bottom line. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'fillAddr'.
